Folks,

I must apologize for two things:

1. My command so far has not agreed to purchase Adobe Pro for me, so I can't fill in the form you sent and save it. So, it will be coming to you in email via PDF.
2. The numbers are a little screwy. Some of my folks used the system and some didn't. I used the best numbers I could, depending on who the TYCOM was and how far off their numbers were. If you need further clarification, I can get it done on Monday, as I am out of the office from the minute I send this email until Monday morning. Sorry. But I think the numbers are about as correct as we're going to be this quarter.
